## RED MOUNTAIN PARK TO RECEIVE \$350,000

**WASHINGTON** – Congressman Spencer Bachus today announced that he secured \$350,000 for Red Mountain Park in the 2007 Transportation, Treasury, and Housing and Urban Development Appropriations Act that recently passed the House of Representatives. These funds will be used for land acquisition.

“As the Birmingham Metro Area continues to grow, the addition and expansion of green space will be essential in attracting businesses and providing a high quality of life to Birmingham residents. The creation of Red Mountain Park, coupled with other projects such as the Railroad Reservation Park, will prove vital in this endeavor,” Congressman Spencer Bachus said.
